PURE INNOVATION

PURA INNOVACIÓN

Fesfoc Barcelona presents you a brand new concept of professional outdoor kitchens. We have managed to manufacture the most minimalist and exclusive barbecues you have ever seen, incorporating the most advanced technology and taking design to the limit.

We aim to offer you the most accurate and resistant cooking tools in order to make your culinary experience unique.

Our charcoal barbecues are highly resistant and functional so that you can quickly cook to perfection.

Fesfoc charcoal barbecues are characterized by offering you the best materials, the highest quality finishes and an unbeatable performance. We design your kitchen to be totally intuitive so that you can know how to use it from the very first minute.

Fesfoc Barcelona presenta la nueva gama de cocinas de exterior profesionales más avanzada del mercado. Incorporando la tecnología más puntera y llevando el diseño a su máxima expresión, hemos conseguido crear las barbacoas más vanguardistas, minimalistas y exclusivas jamás vistas.

Nuestro Equipo de Ingeniería ha diseñado las herramientas de cocina más precisas y resistentes para hacer única tu experiencia culinaria.

Ahora podrás disfrutar de deliciosos y exquisitos con tu cocina profesional Fesfoc.

Nuestras barbacoas de carbón son altamente potentes y funcionales. Se caracterizan por incorporar los mejores materiales, acabados exquisitos y prestaciones insuperables. Diseñamos tu cocina para que sea totalmente intuitiva y puedas usarla desde el minuto uno.

AN UNBEATABLE COMBUSTION SYSTEM

UN SISTEMA DE COMBUSTIÓN INSUPERABLE

The combustion system is an essential part of our design barbecues. Our exclusive combustion system guarantees a continuous input of oxygen from all directions.

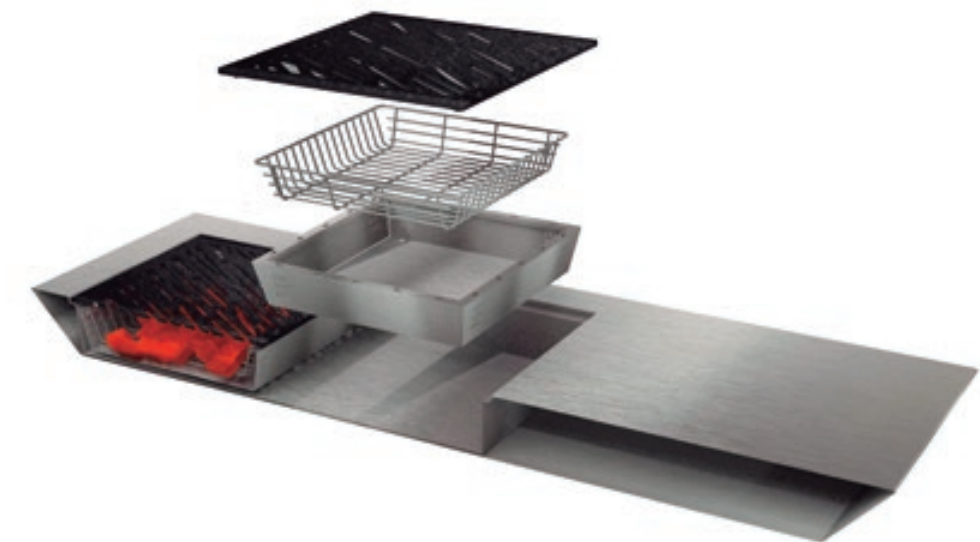

Coal is literally floating. This enables a continuous heat contribution and a constant temperature of 550 degrees in the grill.

Fesfoc outdoor kitchens break all the schemes. They have it all: spectacular design, unbeatable qualities, ideal sizes, as well a spectacular countertops to prepare the most delicious recipes. These professional barbecues meet all the needs of even the most demanding consumers.

Nuestro exclusivo sistema de combustión de tercera generación garantiza una entrada de oxígeno en continuo desde todas las direcciones.

El carbón queda literalmente flotando, lo que hace posible una aportación de calor continua y constante de 550 grados a la parrilla.

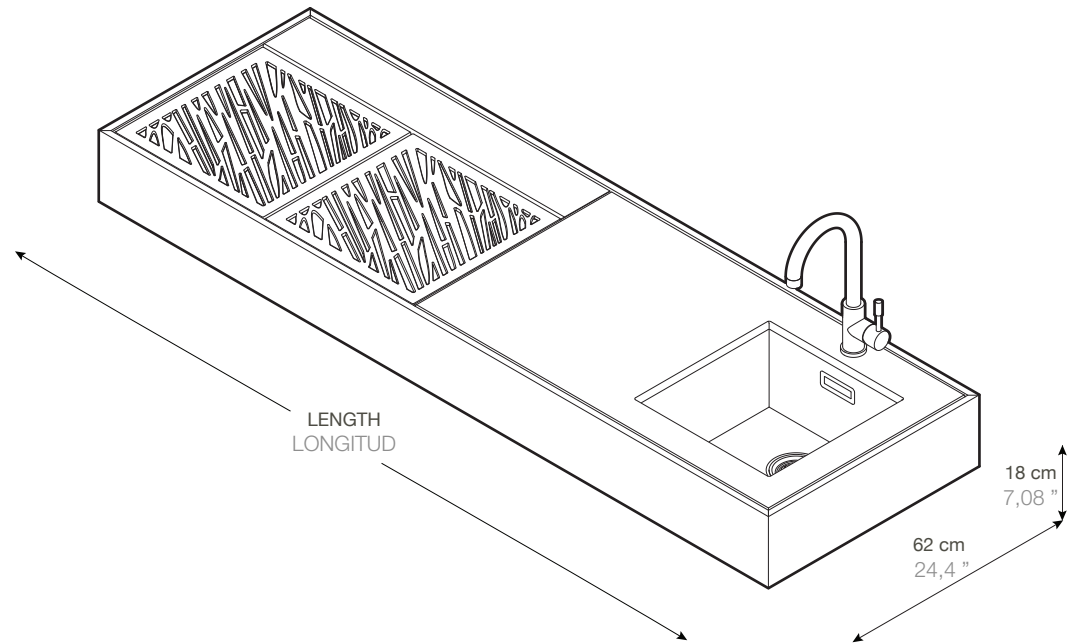

En Fesfoc hemos creado el diseño más puro con las líneas más sofisticadas. Cada centímetro de nuestras espectaculares barbacoas de diseño está pensado para romper moldes, pudiendo cocinar como nunca antes lo habías hecho. Consigue los mejores platos sin esfuerzo y conviértete en el protagonista indiscutible de todas las fiestas.
